Year B - Fourth Sunday of Lent
John 3:16-17

Jesus shone!

Background

- If you have access to a data projector and the internet, open up a website called Google Earth to explore it with the children.

Instructions

- Begin entering “Google Earth” into your computer or use the QR code here.
- Type in the address of your church.
- Use the + and - symbols in the bottom, right hand corner to zoom in and out of the picture. This function will allow you to zoom right out so that the whole earth can be seen!
- You can continue this by inviting the children to suggest other places they might look up.
- As you talk explore these places, reinforce the message of God’s big love!

Check out these Lent ideas for kids

- Lots of ideas to engage the children and families of your parish or community are available on the children and families page. Including an interactive Lenten calendar! Just scan the code below.
