Year B - Fourth Sunday of Lent
John 3:16-17

Hearts to be a Temple of Love

Introduction

God loved the world so much that he sent Jesus! Who and what does that include? Everything! This prayer is all about thanking God for his great love by naming as many people and things we can think of.

You will need

- Some heart shaped post-it notes (or other paper if you wish).
- A globe, a map, or something that can represent the earth.
- Pens/pencils.

Set up

- Prepare a communal prayer space with the globe in the centre.
- Orientate the children using the introduction above.
- Give them each a post-it notes and invite them to write or draw things that God loves (parents, siblings and friends, pets, things in creation etc).
- When they are finished recording these things, invite them to sit in the communal prayer space with their post-it notes.
- Together make the sign of the cross.
- Say: In the Gospel of John God, Jesus said that loved the world so much! Who and what does that include? Everything! Let's take it in turns to bring your post-it note forward. As you bring it forward, read out what you have written or drawn and we will all respond with 'thank you God!'.
- When everyone has had their turn, you might finish with the Glory be and the Sign of the Cross.
