Mark 1:21-28
Follow the Leader Mystery

Background

- Sometimes it isn't only individual people who need healing. It can also be whole countries!
- Our country of Australia needs God's healing too, especially so that all Australians can live together in peace, can have what they need to thrive and make their mark on our beautiful country.
- Watch the lyric video of the song 'Heal our Land'. This is a song for all of us asking God to be with us as the people of Australia. You might include this as part of the prayer adaptation on the next page.
