

Travel in Light of *Laudato Si'*

[*Laudato Si'*](#) calls us to reconsider old habits.

Pope Francis says:

“Education in environmental responsibility can encourage ways of acting which directly and significantly affect the world around us, such as ... using public transport or car-pooling, ... All of these reflect a generous and worthy creativity which brings out the best in human beings.”

Paragraph 211

When we make choices about our travel we can consider:

Do my transport decisions reflect my love and respect for God and his creation?

Is meeting in person essential for this task?

Can I take public transport, walk, ride or carpool?

Care for Creation – Care for Each Other!
