# Year B - 4th Sunday in Ordinary Time
# Mark 1:21-28

Prayer poster

## Background

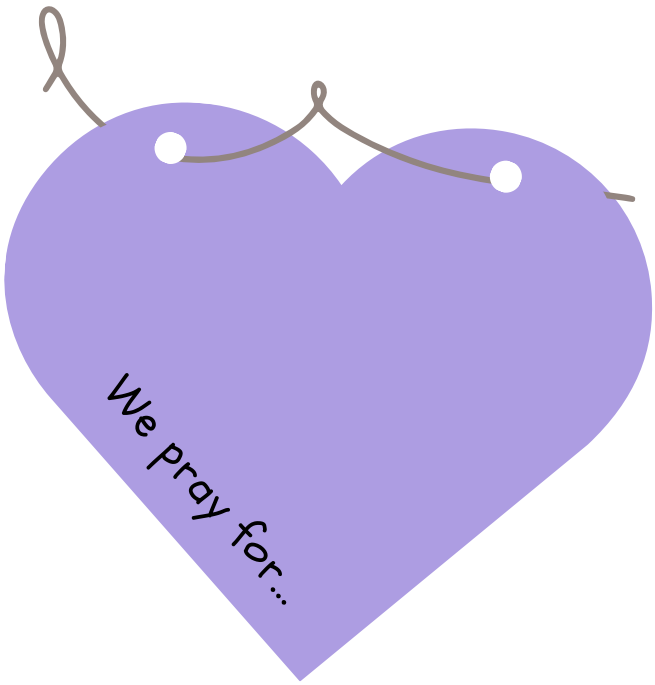
One of the ways that Jesus heals people is through our prayers. We all know people whose hearts or bodies may be in need of Jesus healing power. When we pray for them, we ask Jesus to work in their lives. In this craft, the children create a prayer poster for their fridge at home so that all the family can add the names of the people in their life that they want to pray for.

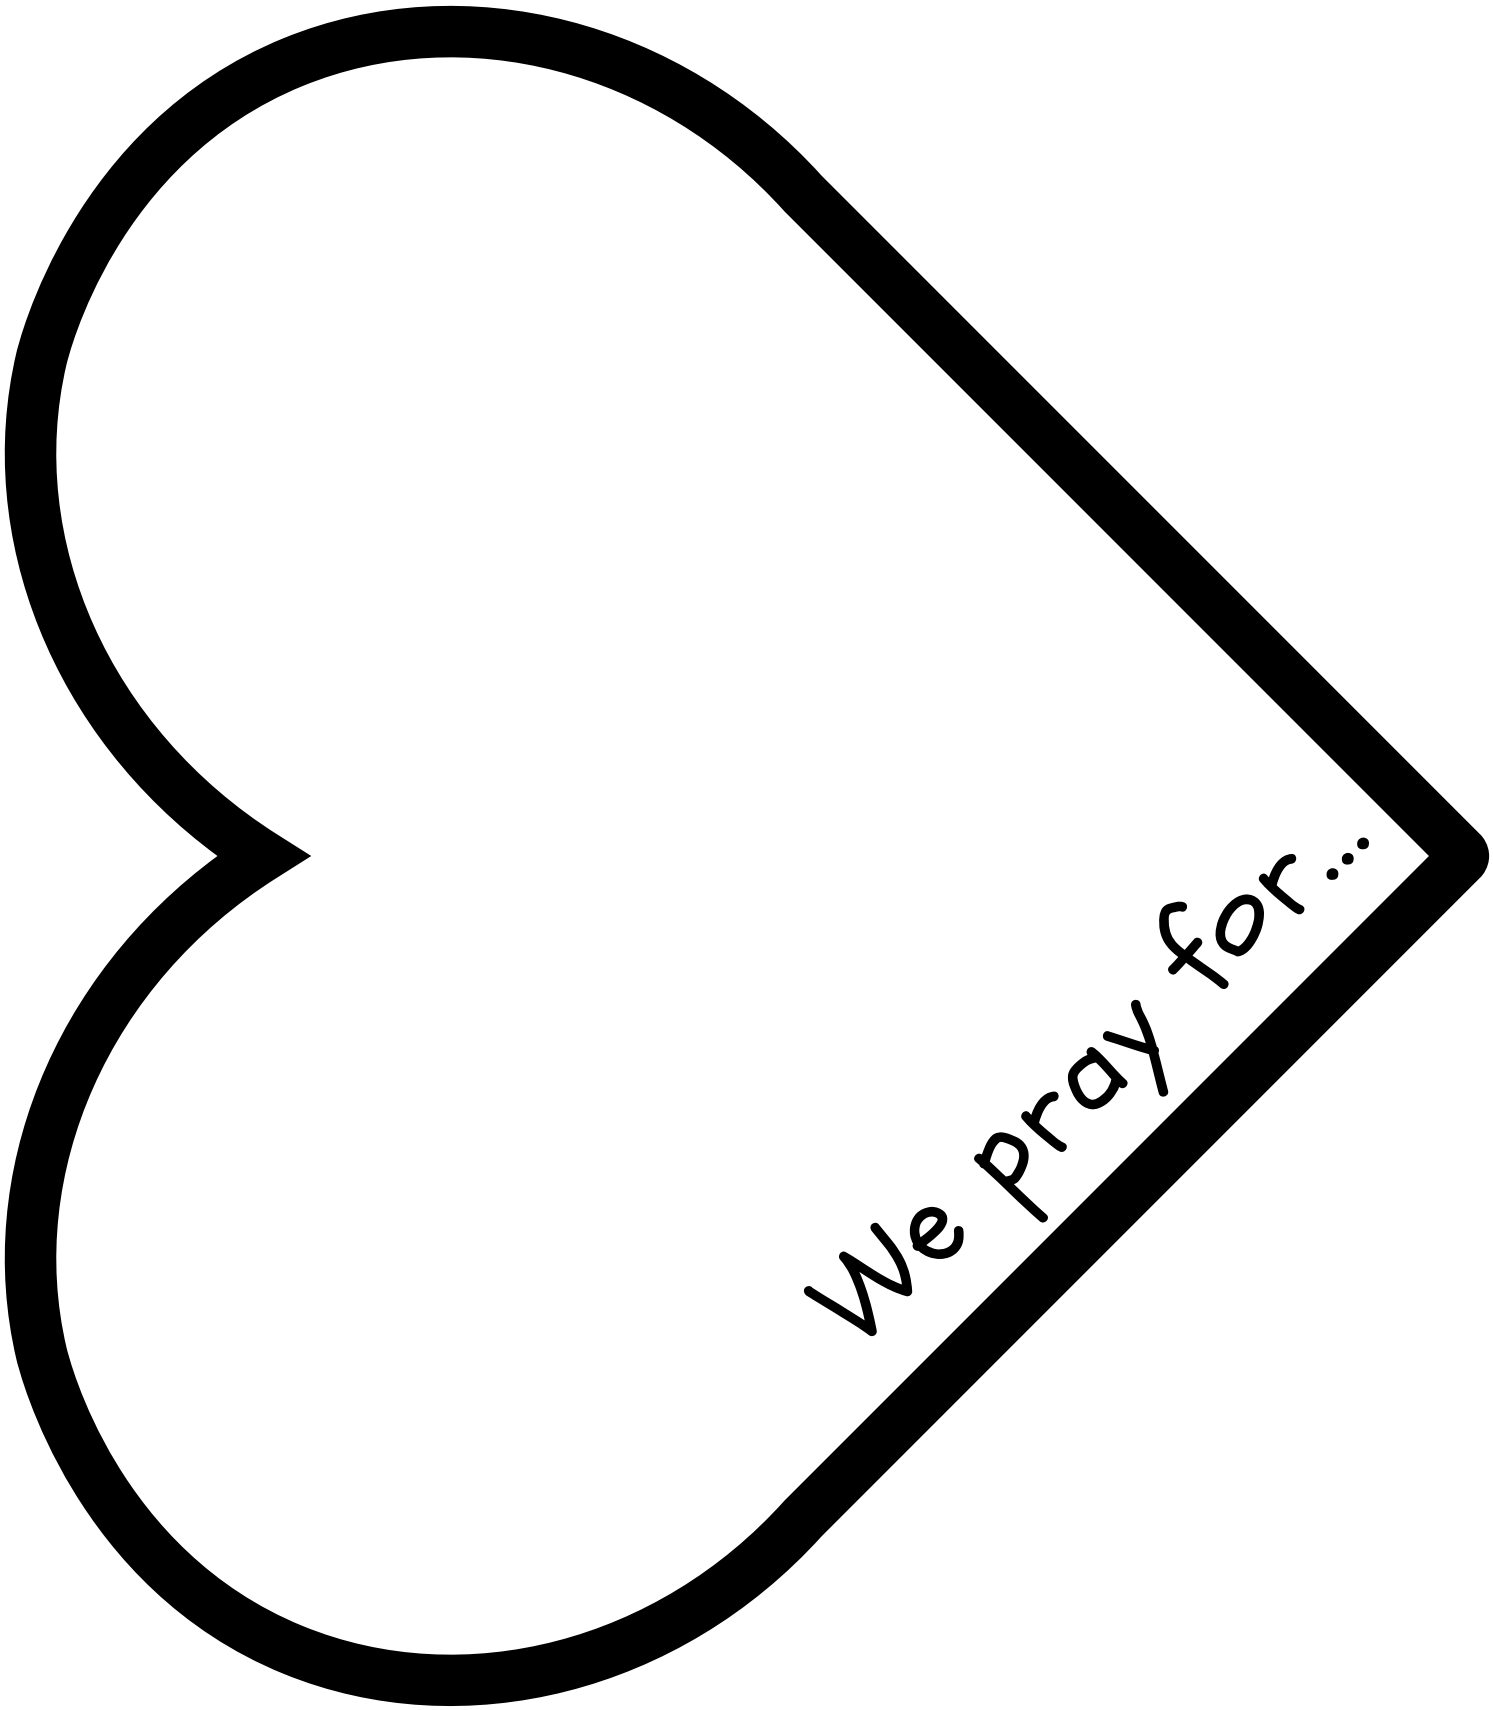
## You will need

- one template of the heart for each child (suggestion: you may want to print these onto different coloured card for children to choose from).
- scissors
- whole punches
- string
- pens

## Instructions

1. Have the children cut out the hearts.
2. Punch two holes at the top of each heart and thread a piece of string through so that the heart can be hung for display.
3. Invite the children to write the names of people they want to pray for.
4. If time is short, you may wish to pre-prepare the prayer posters by completing steps 1 and 2 prior to the session with the children.





We pray for...
