Year B - 5th Sunday in Ordinary Time
Mark 1:29-39
Sharing God's love

Background

Just as there are lots of hands in action in today's reading, the children can use their hands to make a paper plane with words/messages about God's love.

You will need

- A4 paper - 1 per child (see instructions on following page)
- pens/pencils for the children to write their messages about God's love on their plane

Instructions

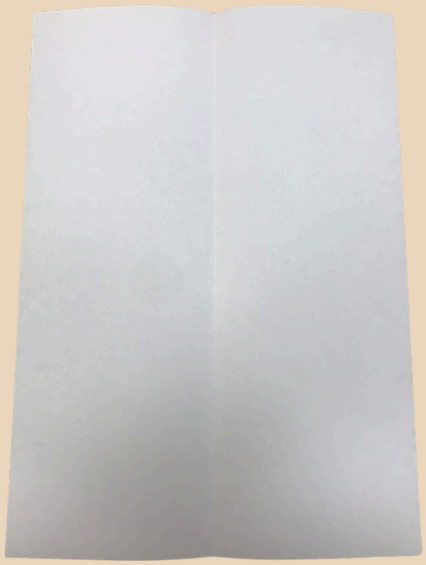
1. Show the children how to fold the paper to make a paper plane. Have some premade for those who may have difficulty.

2. Allow the children time to write words/messages describing God's love on the reverse side of their paper.

3. Lead the children through the steps to make plane - see following page.

4. Children write their message about God's love on their plane.

5. The planes can be used in the following Activity Session.



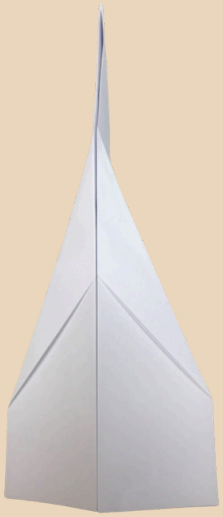
1. Fold the paper in half vertically.

2. Unfold the paper and fold each of the top corners into the centre line.

3. Fold the top edges into the centre line.

4. Fold the plane in half towards you.

5. Fold the wings down matching the top edges with the bottom of the body.



6. Optional - add double-sided sticking tape to the inside of the plane to keep them together.
