

Year C - 3rd Sunday of Easter

John 21:1-14

Jesus is always with us

For today's prayer, you will need a copy of the prayer card for each child and a number of hand mirrors. You will also need materials for creating a prayerful space i.e. white cloth, cross, bible, candle etc.

Background

As we read in today's gospel, Jesus loved to spend time with those who were very close to him. His friends would sit with him and listen as he taught them how to know and love God and one another.

Remind the children that Jesus is always with us.

**So God created humans
to be like himself;
he made men and women
[and children].
Genesis 1.27 CEV**

Read this quote from Genesis and then silently go around and let each child look at their reflection in the mirror.

Finish by praying the prayer on their card together.
