

Year C - Third Sunday of Lent

Luke 13:6-9

Things that help me grow

On the next page is a colouring of a fig tree but it has no figs.

Invite the children to draw lots of figs on the tree and discuss together how God helps us to grow!

On each fig, invite the children to write the 'good fruits' that grow in their life when they have God to help them grow!

You will need:

- Copies of the fig tree template on the following page for each child (alternatively, you could draw one very large tree on butchers paper for the children to add individual 'figs' to).
- Colouring pens/pencils
- Craft sticks
- Sticky tape or glue

Instructions:

- Give each child one of the templates to decorate with figs.
- Discuss the ideas they have written about how God helps them grow good fruit.
