

# Year C - Fourth Sunday of Lent

## Luke 15:1-3, 11-32

*'Your brother here was dead and has come to life.'*

## Hide and Seek

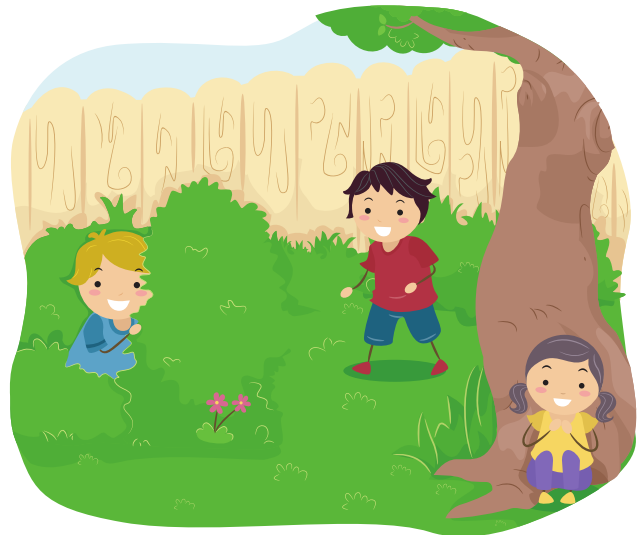

This activity is best done with at least two leaders.

Get one child to hide somewhere (where the leaders know they are) but the other children don't - you may need to distract the other children while they are hiding.

Get the children to look for their friend. Once they find them celebrate together - for what was lost now is found!

Alternatively, you could bring in a 'precious' object like a soft toy or something from home and hide it.

Ask the children to help you find what is lost.

## Giant Wordsearch

Using chalk write out a large wordsearch on the ground with words from the scripture.

Gather the children round and get them to work together to find the missing words.
