

# Year C - Saints Peter and Paul

## Matthew 16:13-19

*St Peter and St Paul puppets*

Using puppets can help children engage with scripture characters.

### You will need:

- Puppet templates
- Pens/pencils
- scissors
- large craft sticks

### Set up:

- Make these St Peter and St Paul puppets by printing the outlines and ask the children to colour them in or use the coloured pages. We recommend printing them on card or on paper and laminating them before attaching paddle sticks to the back of them.
