

Year C - Second Sunday of Easter

John 20:19-29

Song

Teach this simple song to the children, you can pick your own melody.

I believe in God	(Point to yourself, then upward)
Oh, I believe in God.	Point to yourself, then upward)
Powerful, all-loving,	(Flex your muscles then cross your arms over your heart)
Oh, I believe in God.	(Point to yourself, then upward)

Looking for Miracles:

- If you've made the binoculars for the craft you can use them with this activity.
- Give each child the a list from the following page with a pen and send them out to look for their list and write down what they find.
- Once they have completed their lists gather the children back in small groups/circle and get them to read through what they found and why they chose those things?
- You can ask other children if they had picked the same things.

Debrief:

- Thomas couldn't believe that Jesus was alive until he had seen and touched him, but Jesus said those who did not see him and still believe, they are blessed. That's us, we don't get to see and touch Jesus 'body like Thomas did but we do get to see the great love Jesus has for us and we see it in all the things around us.
- All of you found a list of things that have made you happy, made you laugh and made you go 'wow', these are ways Jesus wants to show us his great love for us today.
