

Year C - The Most Holy Trinity

John 16:12-15

Whatever the Father has is mine. The Spirit will receive what I give and tell you about it.

Glory Be...

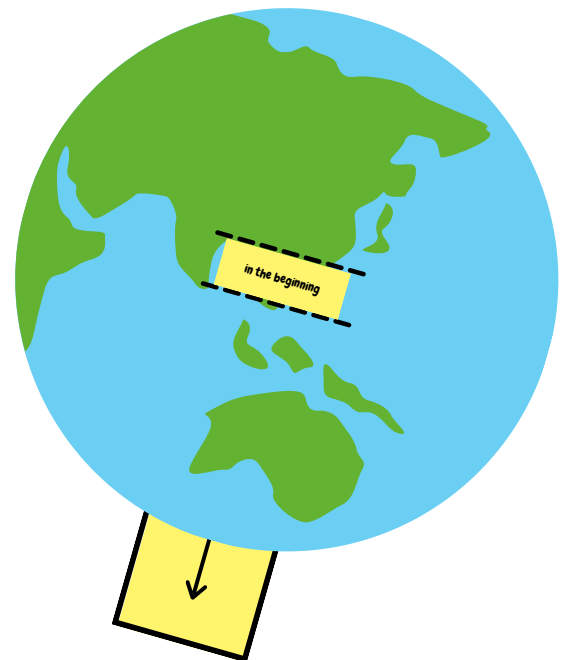

- The 'Glory be' is a wonderful prayer that is simple for children to learn, yet it is a powerful reminder of our eternal God who is three in one, beyond time and space. God is truly omnipotent!
- Have the children make this Glory Be prayer slider to learn this special prayer.

You will need

- One prayer template for each child (there is a black and white version to colour if you wish). NB it may be optimal to print this on to card to make it stronger?
- Pencils
- Scissors

Directions

- Cut around the globe and the prayer strip.
- Carefully cut the slits for the prayer strip.
- Insert the prayer strip through the slits as shown in the illustration to the right.
- Gently position the prayer strip and pull downwards to read the words through the 'window' in order.

and ever shall be
