

Year C - The Most Holy Trinity

John 16:12-15

Glory Be

The Glory be is a wonderful prayer that is simple for children to learn, yet it is a powerful reminder of our eternal God who is three in one, beyond time and space. God is truly omnipotent!

Use these actions or make up your own with the children, then pray this prayer together.

Glory Be to the Father

Raise you arms high

and to the Son

Make a cross with your arms

and to the Holy Spirit

Make a 'flame' with your hands

As it was in the beginning

Point both hands to the left

is now and ever shall be
world without end

Leave your left hand pointing
to the left and move your right
pointing hand over your head
so that it is pointing to the
right

Amen

Make your hands into a prayer
