

Year C - 19th Sunday in Ordinary Time

Luke 12:35-40

What's Jesus' key message?

- Use this activity to help the children get to the bottom of what Jesus is saying in the Gospel today.
- Print or write the words from the scripture onto card and 'hide' them around the room.
- Invite the children to search for them and return to the group with the cards.
- Then work together to put them in the right order to see what Jesus' key message is today.
