

Year C - 27th Sunday in Ordinary Time

Luke 17:5-10

Just doing it for love!

Background: The gospel today challenges us to do things for love, rather than for a reward or recognition. This craft is a reminder about this. Before doing the activity, discuss with the children some ideas about how they can remind themselves to do their duties with love. Perhaps they could write a message or draw something to prompt them.

You will need:

- An award template for each child (printed on card)
- Pens/pencils
- scissors
- safety pins

Instructions:

1. Invite the children to cut out the template.
2. Have them write or draw their reminder on the award.
3. Laminate the award if you wish.
4. Pin on your child's reminder.
