

Year C - The Exhortation of the Cross

John 3:13-17

By your holy cross you redeemed the world

Here's a few ideas for prayer:

Teach a prayer Teach them the prayer we pray during Easter time: *"We adore you, oh Christ, and we bless you, for by your holy cross, you have redeemed the world."*

After you've taught them the prayer you can read the Gospel reading one more time and then pray that prayer together to finish.

Prayer space Another thing you could do is get them to think about a prayer space they could create at home. Ask them what they would include in their prayer space and where they would place the cross. If you have some prayer space items, you could get some of the children to create one themselves before you teach them the prayer.
