Advent Candles and Wreath

Making Soap

- Expand on the analogy of clean spaces and clean hearts by making soap with the children.

You will need

- 4 tsp corn starch
- 8 tsp of unsweetened lemonade/orangeade mix
- 1/3C of Baking Soda
- 1/3C of baby oil
- a few drops of food colouring
- a plastic cross/love heart

Instructions

1. Combine all dry ingredients in a bowl a mix together. In a separate bowl mix all the wet ingredients.
2. Slowly add the wet ingredients to the dry and mix together until it feels like damp sand.
3. Use a mould or start to shape the mixture into a ball and push the cross/heart into the centre. (If using your hands wear gloves so the mixture doesn't stick to your hands)
4. Leave to dry on baking paper for 24 hours or send home with the kids and tell them to leave it in a safe place to dry.

Tip: send home in a plastic ziplock bag with a note reminding them that when they use it in will reveal a special token. Like the water reveals what's hidden in the bath bomb, when we seek forgiveness, Jesus reveals what is beautiful in us.
