Luke 23:35-43

Jesus is the King cross

Background

Through his suffering, death and resurrection, Jesus defeated death. It is through this that Jesus reveals that he is truly the 'King of Kings'. His love was stronger than the cross! Jesus turned a symbol of sadness into a symbol of his strong love!

You will need

- A cross template for each child (preferably printed on card)
- Coloured pens and pencils
- Scissors
- Bins (for the scrap paper)
- Laminator and laminating sheets (optional)

Instructions

1. Invite the children to decorate the cross in any way they wish to show the strong love of Jesus, the King of everything.
2. Have the children cut out the cross. You might like to laminate them for safe keeping if you wish.
