Season of Creation Laudato Si' Workshop with Sr Margaret Endicott

During the Season of Creation, Sr Margaret Endicott will be conducting a day's workshop for people who want to explore more deeply our gratitude for God's world, honouring the pain of the world today, seeing the way ahead with new eyes and deciding on some best practices in moving forward. This is our opportunity to determine practical action for ourselves, our families, our parish and the wider society.

Pope Francis says, 'our relationship with the environment can never be isolated from our relationship with others and with God.' LS119. He encourages individual and collective action for the care of our common home.

Event Details:

Dates: Saturday 13th September 2025

Time: 9am – 3pm

Season of Creation Reflection Group

Dates: 2nd, 9th, 16th, 23rd, 30th September

Time: 10am-11am

Location: Zoom

We build our community through group reflection and discussion. This year we are using the Parish *Laudato Si' Reflection Sheets* to base our group discussions on *Laudato Si'* over five separate hour long Zoom gatherings. The style of the gatherings will enable you to attend all or singular sessions.

Registration through Emma Beach: beache@bne.catholic.net.au

Community Action

Again, we are encouraging all parishes, schools and communities to demonstrate our commitment to caring for creation in the Season of Creation by displaying banners. This not only generates valuable conversations in our communities but clearly promotes to the wider community our Laudato Si' values.

In the Cathedral, we are using the same design as last year (to avoid a throw away culture). We encourage communities that already have a banner to display it from the 1st September and if you would like to order a banner contact Emma Beach (beache@bne.catholic.net.au) before the 22nd August.

If you need further information on the Season of Creation,

please contact Emma Beach at beache@bne.catholic.net.au.
