

CELEBRATING ALL SAINTS

CHILDREN OF FATIMA

The children of Fatima were entrusted by God with a big responsibility to pray for people who were suffering in the world as well as encouraging others to pray as well. Just like these children you are called by God to share his love with others.

MIRACLE OF THE SUN CRAFT

Just after Mary appeared to the children for the last time, 70 000 people experienced what is called the Miracle of the Sun. This solar flare event amazed people and they began to believe what the children had been saying. Let's create a Miracle of the Sun craft to remember God's great love.

YOU WILL NEED:

- Printed out template on Card
- OR Yellow Paper plate
- Yellow/Orange Cardboard
- Streamers
- Permanent Markers
- Colours
- Staplers

INSTRUCTIONS:

1. Print out the sun template on card and cut out OR fold a yellow (painted) paper plate in half and staple together.
2. If using the paper plate use the yellow/orange cardboard to cut out some rays and staple to the paper plate. Using the permanent marker draw a smiley face on the sun.
3. Cut the streamers into 6 pieces and staple at across bottom of the sun to create longer colourful rays.
4. Find a spot to hang the sun up to remind you of God's call to children to pray and share his love with others.
