ST THERESE OF LISIEUX

PRAYER BEADS

When St Therese of Lisieux was a child, she used to count her prayers to Jesus. Try these beads as a way to count your prayers just like St Therese of Lisieux.

YOU WILL NEED:

- Cord
- A cross
- 11 beads

Got little ones?
This could also
be done by
threading ten
beads onto a
pipe-cleaner!

1. Thread the cord through the cross so that the cord is even on both sides.
2. Weave the cords alternately through each bead until 10 beads have been threaded on.
3. Leave about 2cm to 3cm of cord, then tie a knot. Thread the last bead onto the end over both cords and tie off to complete.
4. Beads can be 'counted' by sliding them along the cords.
