

Year A - First Sunday of Advent

Matthew 24: 37-44

Noah's Ark

Background

Through this craft children can retell and interact with the story of Noah's Ark and what Noah would have done to prepare for it.

You will need

- Paper plate for each child
- Coloured pens and pencils
- Animal stickers or cut outs from the following page
- Brown paper
- Scissors
- Glue sticks
- Bins (for the scrap paper)

Instructions

1. Over one half of the paper plate, colour in a rainbow.

4. Glue the brown paper to the paper plate to create your Ark.

2. Using animal stickers or the printouts cut out and glue down in front of the rainbow.

3. Using the paper plate as a template to cut out a semi-circle out of the brown paper and add lines to replicate the wooden slats.
