Advent Bunting

Background

Like John the Baptist shared the message of the coming Lord, we can too with this bunting.

You will need

- Paper or card flags (triangles)
- Aprox 1m of string or ribbon
- Coloured/black markers or cut out letters
- You may also need: scissors, staples, glue or tape.

Instructions

- There are a number of different ways you can make bunting, you could use coloured card as your base, Christmas cards cut or scrap booking paper.
- Cut out the material you are using into equal sized triangles.
- Write a letter onto to each flag to spell out 'HE IS COMING' you may want to use a different message.
- Position in order along the string/ribbon and fold the top 2cms of the flag over the string. Staple/tape these to secure it.
- Alternatively: depending on the time you have and age of your children you may want to prepare the letters on the bunting in advance and get the children to attach them to the string.
- A template is available on the next page.
