

Year A - Second Sunday of Lent

Matthew 17:1-9

Scenarios

Background

This activity provides an opportunity to reflect on the change that came over Jesus when he was transfigured.

You will need

- A glow stick for each child (the bigger ones would be better)
- Black sharpies

Instructions

- Either with the children, or prior to the session, write the name of 'JESUS' on each of the glow sticks.
- Recall the story of the transfiguration with the children and talk about the change that came over Jesus.
- Together, activate the glowsticks and see how 'Jesus' shines.
- You might like to connect this activity with the prayer on the next page.
