

# Year A - 3rd Sunday in Ordinary Time

## Matthew 4:17-23

### Friendship Bracelets

#### Background

There are so many different ways to make friendship bracelets but this is a super easy one which will be useful for groups of all ages.

#### You will need

- An assortment of large colourful buttons or beads
- An assortment of colourful string

#### Instructions

1. Invite the children to select a button and string of their choice and thread the button onto the string.
2. Have the children gift their bracelet to another person.
3. You may want to ask the children to make two bracelets so that they have one to keep.

**Note:** Younger children will need support to tie the bracelets on to ensure they are not tied too tightly.
