

# Year A - Fourth Sunday of Lent

## John 9:1, 6-12, 35-38

### Lent Activities

### Option 1: Blind Pictionary

Jesus didn't care that the woman was from a different place or that people said Jews and Samaritans shouldn't talk. He saw her heart. He spoke to her with kindness and offered her something incredible — Living Water, the gift of eternal life. This story teaches us that even though we're all different in many ways, we are the same in the most important way: we are all loved by God and invited to be part of His family. Let's explore all the unique things about ourselves and share them with each other!

Alternatives: You could do other activities, like as them to pack a bag, or a version of pin the tail on the donkey.

### Option 2: Reading without seeing

- Braille is a tool used by people who cannot see to read words. Show the children examples of braille and how its read using fingertips.
- It takes a long time and a lot of effort to learn braille, it uses dots of different sizes to represent each letter of the alphabet.
- Create your own version of braille by carving a word into cardboard and blindfold the children.
- Give them turns to see if they can work out what the word is.
- Again, ask the children what it felt like and what they learnt from the experience to help them empathise with the man from the Gospel.
