

LENTEN ALMSGIVING CHALLENGE

A FAMILY ACTIVITY THROUGHOUT LENT

Almsgiving allows us to follow in Jesus footsteps - to serve others, to help others when they are in need and to spread God's love.

This Lent, challenge yourself to be more like Jesus by asking one simple question everyday of Lent.

“What can I do for you today?”

Challenge yourself to follow in Jesus footsteps by asking and being of service to someone each day. It can be your parents, friends, family members, teachers or other people who you see everyday.

Print out the template below and place it on the fridge or somewhere the whole family can see and remember.
