

# THE JOURNEY THROUGH LENT

A FAMILY CRAFT THROUGHOUT LENT

## You will need:

- Choose from the stencil printouts on the following pages and print them on to card or nice textured paper (or paper which may be laminated afterwards).
- Paint (one colour per family member)
- Pens to write names
- Lenten Calendar

## Instructions:

1. Choose the template that you would like and print out onto card or textured paper.
2. Choose a paint colour for each member of your family or tribe. Record the colour on the bottom of the template and write the persons name beside it.
3. Each day add a finger print in your colour to the chosen image to remind us on our commitment to the season of lent. When Easter arrives, the hope is that your image will have come to new life - just like Jesus!
