# MY SACRAMENTAL JOURNEY: BAPTISM

## SUGGESTED PARISH LETTER

- *my sacramental journey: Baptism* is designed for school aged children who are preparing for Baptism and then will join in the parish sacramental processes for the preparation and celebration of Confirmation and Eucharist. The book uses scripture, prayer and family fun activities to explore Jesus, their church community, and their Baptism.
- You may wish to adapt this letter to suit your parish e.g. include parish logo, have someone in your parish handwrite the letter on parchment
- Print the letter, then cut and paste in the space on page 2 of book
- Parish priest or sacramental coordinator/team member to sign letter
- Remember to keep in contact with the children and their families e.g. send a card on the anniversary of the child's Baptism, invite the families to join ministries and events in the parish – e.g. Children's Liturgy of the Word, after Mass cuppa roster, adult and/or children's choir
