Introduction

Leader: The idea that the Lord is our Shepherd and we are his sheep isn't a new one. In fact thousands of years ago, King David wrote a song about that very idea! It's in the bible today in the book of psalms. For our prayer today, we're going to watch a video that reads out that psalm to us. So get comfortable, make space around you and make space in your heart for Jesus.

In the name of the Father, the Son and the Holy Spirit
