

# Year A - 7th Sunday of Easter: The Ascension

## Matthew 28:16-20

Blessing Others

### Overview

You may want to use the bracelets or the cards that the children made in the craft activity and have them hold them during this prayer time.

Invite the children to sit around in a circle and think about one person they want to be a blessing too. Start your prayer with a sign of the cross and lead them in prayer.

### Prayer

- *Jesus thank you for our time today and thank you for your teaching us about your great love. Help us share your message with others. Jesus please bless (name someone you would like to bless).*
- Then go around the circle and each child can say Jesus please bless this person... etc.
- Finish your time with a final prayer.
