

Australia's Biggest Bushwalk

Join the Living Laudato Si' Team

Protect endangered species today!

In the month of May everyone is invited to participate in Australia's Biggest Bush Walk with Australian Conservation Foundation. It is a walking/running/rolling challenge that raises funds to protect Australian wildlife. Inspired by Pope Francis' *Laudato Si'*, the Archdiocese of Brisbane has again registered a team called, Living.Laudato.Si'! This will be the third year we have registered a team and so far we have raised over \$1000 for the conservation of endangered animals. You can participate as an individual or some parishes have logged in as a group, which walked on one particular day.

Through our participation in this challenge, we show our love for God by being present in nature and protecting our wildlife. We encourage parishes and individuals to join this impactful and practical activity. See the details and registration links [here](#).
