

Archdiocese of Brisbane

Laudato Si' Week Banner Initiative

All parishes, communities and schools are encouraged to spread the message of Pope Francis' *Laudato Si'* through displaying a banner on their property. These banners not only demonstrate the Archdiocese's commitment to living out the call to protect our relationship with God, each other and the earth but generate important conversations in 'house' and in the wider community.

To preserve resources, we have both 3 meter and 6 meter banners you can borrow, or you can purchase the newly designed banner for 2026 for \$70. The *Laudato Si'* quote for this year was chosen by Archbishop Shane Mackinlay.

If you would like to buy or borrow a banner please contact Emma Beach by the 7th May: beache@bne.catholic.net.au
