Faith Bingo

Background

There are so many ways to help your faith grow and to share it with others. This bingo board highlights just a few of them.

Instructions

Print enough copies so each child receives one completed bingo card and one blank card. With the blank cards, encourage the children to think about how they can share the love of Jesus in their own homes. Have them write one idea in each square and draw a small picture to go with it. When they take the card home, they can spend the week completing their ideas and checking off each square as they do.
