

## Prayers of the Faithful National Reconciliation Week 2026

**Presider:** Now is the time to walk together as People Who Listen, People of Courage and Healing and People of Reconciliation. With the fire of justice burning within us, let us turn to the Father of us all, asking for guidance and strength as we walk together towards a better future.

Our Response: God of love, strengthen us to be All In.

**Reader:**

**For the Church** - We pray for the leaders of our Church, Pope Leo XIV, our bishops and all clergy who serve your people; guide them to be people of Reconciliation. That the Church in Australia may be “all in” on the journey of reconciliation—walking humbly, listening deeply, and acting justly alongside Aboriginal and Torres Strait Islander peoples.

Lord, hear us.

**All:** God of love, strengthen us to be All In

**Reader:**

**For our nation** - That all Australians may commit wholeheartedly to reconciliation, building relationships grounded in truth, respect, and shared responsibility for a more just future.

Lord, hear us.

**All:** God of love, strengthen us to be All In

**Reader:**

For our school and parish communities - That our schools and parishes may be places where everyone is “all in”—embracing culture, fostering understanding, and creating spaces where Aboriginal and Torres Strait Islander voices, stories, and identities are honoured and celebrated.

Lord, hear us.

**All:** God of love, strengthen us to be All In
