

Year A - 25th Sunday in Ordinary Time

Matthew 20:1-16

Pass the Movement

Background

- In today's reading, Jesus showed us how we don't have to compete with others for God's love. It is something that is freely given and shared. This game will allow children to see how easy it is to share with others and allows everyone a chance to have a go.

Instructions

- Ask the children to sit in a circle.
- Nominate one child as the starter and one as the finisher.
- The starter comes up with an action and sends it around the circle. Once it gets to the finisher and back to the starter. The starter then becomes the finisher and the next person clockwise becomes the starter.
- The aim of this activity is to show how easy it is to pass on something - just like God's generosity.
