

Background

The scripture asks us to be more compassionately generous to others. To really understand this in our context let's reflect on what compassionate generosity really looks like for each of use individually.

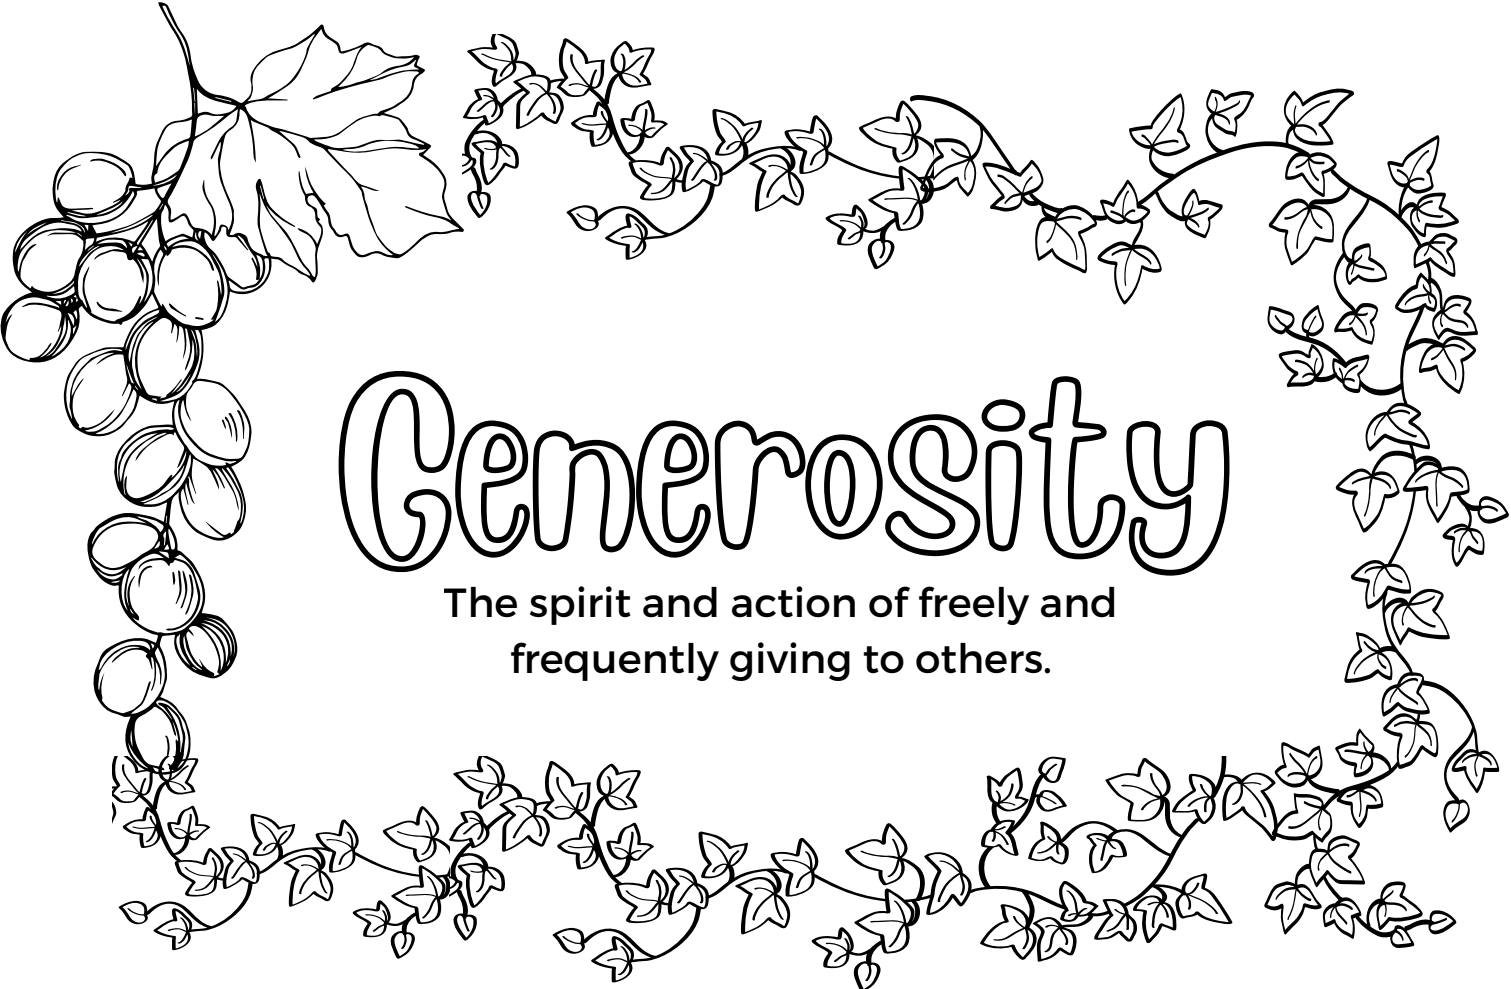

Prayer

- All that is required is print out of the image above and a variety of coloured pencils.
- Go to your sacred space
- Make the Sign of the Cross together.
- Have a leader pray... 'Dear God, Thank you for the gift of your compassionate and generous love. Help me to be just like you and to share this generosity with all I surround myself with.
- Play gentle music and invite the children to reflect on this parable by colouring or adding to the image.
- As they do this ask the children these questions to reflect upon.
- How do I be generous to others?
- What are some of the things that stop me from being generous?
- How can I encourage others to be generous like God?
- Finish your time of prayer by saying the Our Father together.
- Make the Sign of the Cross.
