

Year A - 26th Sunday in Ordinary Time

Matthew 21:28-32

Our Everyday Promises

Background

- Together as a group, brainstorm some scenarios that the children would experience everyday that relates to making a positive or negative choice, a promise they make or a commitment they are asked to keep.
- Some examples could be; household chores, helping after school, being kind to others, etc.
- With the children, go through each scenario and ask them to come up with the choices they could make, one like the younger son, one like the older son and one that Jesus challenges us to be.
