

Year A - 27th Sunday in Ordinary Time

Matthew 21:33-43

Of God vs Not of God

Background

- In today's activity, the children have a chance to decide if something is **Of God** (will bring them closer to God) or **Not of God** (will lead them away from God).

Instructions

- Prepare pictures or words of various things that will bring the children closer to God and another list of things that lead them away from God. (see page below for suggestions)
- Place these face down in a basket
- Have a poster divided vertically in two with one side marked **Of God** and the other side marked **Not of God**
- Children sit in a circle with the basket of pictures and words in the centre.
- Each child has a turn to take a picture or word and adds it to the **Of God** or **Not of God** side of the poster. Be prepared to help children if necessary.
- Once everyone has had a turn, see if the children can think of anything else to add to the poster.
