Invitation to God's Love

Background

God encourages us to accept his invitation everyday, at every moment. Jesus helps us with this. Sometimes we can turn away from this invitation however because we are too busy or lazy or think that others things are more important. God wants us to accept his invitation and share it with others. Today let's make an invitation into God's love to share with the people around us.

You will need

- Paper
- Coloured pens and pencils
- Magazines (appropriate for children)
- Scissors
- Glue sticks
- Bins (for the scrap paper)
- Envelopes

Instructions

1. Encourage the children to think about God's love and how they are surrounded by it everyday. Encourage them to think of some one who they may want to invite to share in this love.
2. Using the paper, pens and magazines, invite the children to create an invitation into God's love.
3. Pass out envelopes, the children and decorate as well to place their invitations in.
