

Year B - Second Sunday of Advent

Luke 1:26-38

Advent Trivia

Here is an opportunity to have some fun as the children think about the season of Advent and what they heard in today's gospel. Read it with the children before you begin.

You will need:

- Trivia questions (use your own or see following page for suggestions)
- Two containers - one labelled TRUE and the other FALSE
- Inflated balloon or small ball per team. If possible, each team has a different colour.

Instructions:

- Divide the children into a couple of teams.
- Place the two labelled containers at the opposite side of the room from the children.
- The leader reads a TRUE or FALSE question about Advent.
- As soon as a team has an answer, a child takes the balloon/ball, puts it between their knees and walks to the appropriate container and drops the balloon/ball inside to answer the question.
- If the answer is FALSE, the team needs to give the correct answer to get a point.
