JESSE TREE UPPER PRIMARY

ISAIAH 11:1 "A SHOOT SHALL COME OUT FROM THE STUMP OF JESSE, AND A BRANCH SHALL GROW OUT OF HIS ROOTS."

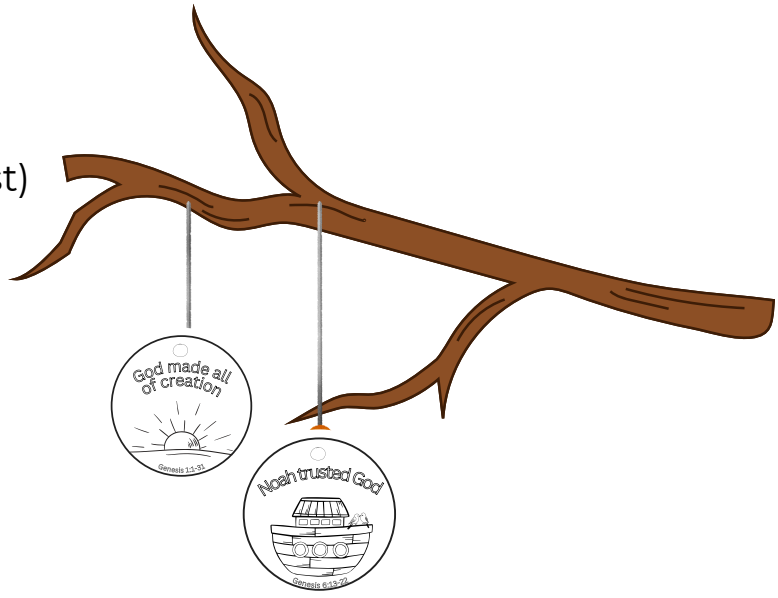

Advent and Christmas are a joyful time of year, but between busy school schedules, family gatherings, presents and great food it's understandable how for some children the reason why we celebrate Christmas becomes lost. Children have an extraordinary capacity to learn through activities. In preparation for Jesus being born, families are reminded that Jesus' birth was part of a long family history, promises and prophecies coming true from the beginning of time.

THE GOAL IS FOR THE CHILDREN TO:

- Look up the Bible references themselves.
- Take turns reading aloud.
- Discuss what the story tells us about God.
- Hang an ornament.
- Draw or design their own ornaments when desired.
- Make connections between Old Testament stories and Jesus.

YOU WILL NEED:

- Printouts of the following pages (card would be best)
- Bible or www.biblegateway.com
- Card
- Colour pens/pencils
- Scissors
- Glue/Tape
- Hole punch
- Ribbon/string
- A space to hang the ornaments: blue tack a shape like a tree on a wall, use string across the wall to display the ornaments, use a vase and sticks or twigs to tie/hang the ornaments to.

HOW TO DO IT EACH DAY:

Keep it simple (Set a time 5-10 minutes).

STEP 1: ASSIGN ROLES:

Rotate responsibilities, children may need support:

- Scripture Finder: look up the next person, moment or object for the Jesse Tree.
- Reader: Reads aloud the scripture reference, says what the item or person is.
- Discussion Leader: asks the questions.
- Decorator: Cuts, colours and hangs the ornament. OR each child can paste their own copy into a scrap book.

STEP 2: READ THE SCRIPTURE VERSE:

Have the children find the reference before reading.
Encourage them to:
Find the book
Read chapter and verse numbers
Help younger siblings locate passages

STEP 3: DISCUSS

Use questions like:
What happened in this story?
What does it teach us about God?
Who showed faith or courage?
How might this point us to Jesus?
What surprised you?

STEP 4: ADD THE ORNAMENT

Either hang a prepared ornament, (see printouts below), or spend a few minutes sketching one together.
For older children, encourage personal creativity rather than colouring pre-made templates.

FAMILY/TEACHER TIP

Let the children create as many ornaments as possible themselves. Offer a time of free drawing on paper or in their art books as a time of reflection once the ornament has been hung.
By Christmas, they'll have created a visual timeline showing how God's promises unfold throughout salvation history and lead to Jesus and his love for each generation.

EXTRA CHALLENGE FOR OLDER KIDS

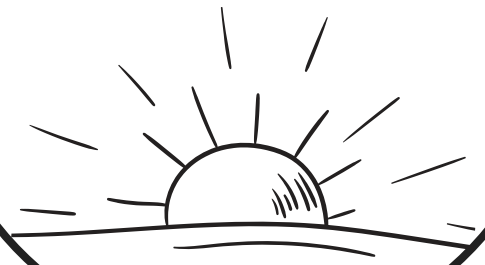

Provide each child with a Jesse Tree journal.
For each day they can record:
Scripture:
Symbol:
What happened?
What does this teach me about God?
How does it point to Jesus?
Sketch of today's ornament

FAMILY/TEACHER TIP

Let the children create as many ornaments as possible themselves. The conversations and Scripture searching are more important than having perfectly matching decorations. By Christmas, they'll have created a visual timeline showing how God's promises unfold throughout salvation history and lead to Jesus.
