

Year A - 32nd Sunday in Ordinary Time

Matthew 25:1-13

Follow the Light

Instructions

- In today's activity, the children have to watch carefully as they follow the light.
- You will need a torch
- A "light leader" will shine the torchlight on a designated floor space and the children (all at once or one at a time) will FOLLOW wherever the light goes!
- The children will have to WATCH CAREFULLY because the light will continually move in different directions!
- If time allows, let all the children have an opportunity to use the torch to lead their classmates in various places!
