

Year B - The Epiphany of the Lord

Matthew 2:1-12

Gifts for Jesus

You will need

- Coloured paper
- Printed template
- Pens
- Scissors
- Glue
- Ribbon

Instructions

1. Print out the template provided on some different coloured pieces of paper. (cut out a couple in case you have some really little children)
2. Hand out the template and ask the children to cut out and decorate with coloured pencils and pens.
3. Once the present template is decorated, ask the children to think about a special gift they have - could be the gift of singing, or the gift of happiness. What gifts make you special?
4. Once the children have thought of their gift ask them to write it on a piece of paper. Invite them to put the box together by folding the dotted lines and sticking together the tabs.
5. Once glued together into a cube invite the children to wrap some ribbon around the box to create a gift. We will use this in our prayer at the end of the session.
