The sayings of Jesus Treasure Hunt

Instructions:

- Write or print out the sayings of Jesus (the list below is a helpful start) onto colourful speech bubbles and hide them around the space you are using and get the children to search for them. There are more options in how you can do this activity slightly differently or expand on it.
- Write the sayings of fish shapes and put a paperclip on each of them. Using magnets on the end of string send the children 'fishing' for the sayings.
- Instead of writing the sayings, write the scripture references and get the children to search for them in a bible. (this can be a helpful way to teach children how to use a bible.
- On a whiteboard or the wall make a table of the different categories for the sayings to fit into eg What Jesus says ...
- About us
- About others
- About God
- Discuss these with the children, some will fit neatly into one category but others will suit two or more.
