Year C - 4th Sunday in Ordinary Time
Luke 4:21-30

Love is Poster

Background

- This craft is based on the reading from the New Testament and it helps us to think about how we can love each other and celebrate each other. 1 Corinthians 13:4-7 is a passage about what love is. Share this passage with the children as a way they can support and celebrate each other. Read through the passage first, then pass out the poster from the following pages and get them to write in their own name.

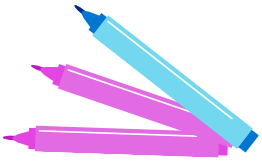

1 Corinthians 13:4-7

Love is patient; love is kind; love is not envious or boastful or arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice in wrongdoing, but rejoices in the truth. It bears all things, believes all things, hopes all things, endures all things.

Instructions

- The children can decorate the posters and use them again for your prayer time.
- Use watercolours for the flowers by colouring in a part of the petals with a felt tip, then use paintbrushes with a small amount of water to colour in the rest of the petals.
