Year C - 5th Sunday in Ordinary Time
Luke 5: 1-11
Follow in his footsteps

Background

- This activity allows the children to come up with their own ideas of ways they can follow Jesus.

You will need

- Coloured/plain paper
- Marker pens
- Scissors

Instructions

1. Get the children drawn an outline of their foot on a piece of paper (it may be easier to do this in pairs and draw around each others foot) and cut out the shape.

2. Ask the children to write down ...
'I will follow Jesus by'
then write down one way this week they will choose to follow Jesus. If they have more than one idea, they can cut out multiple footprints.

3. If you are limited by time, prep the footprints ahead of time and hand out to the children.
