Year C - 5th Sunday in Ordinary Time
Luke 5:1-11

Footprints

Option 1

- Layout a net on the floor.
- Following your discussion with the children about things they can leave behind, ask the children to write these ideas on pieces of paper.
- Like the nets the fisherman Peter left behind, they can throw what they want to leave behind onto the nets.

Option 2

- Jesus is inviting us to follow him, but it's up to us to take the first step.
- Ask the children if they would like to make that step today and to remember it make a sign of us following all following Jesus.
- Paint the soles of their feet with different colours and walk across the sign.
- Get the children to write their name next to their footprints.
- Once dry put this sign on display in your space as a reminder to the children of the day they followed Jesus.

Tip: Layout tarps or do this activity outside. Have everything ready to clean their feet right after they've walked across the sign.
