Prayer Reflection

Invite the children to sit quietly and hold their Good Fruit Glasses.

- Today we're going to spend some time talking and listening to Jesus. Jesus teaches us to learn from wise people, to look at our own actions before judging others, and to grow good fruit in our hearts. Let's ask God to help us see ourselves the way He sees us.
- Close your eyes and think of someone who helps you follow God. It might be a parent, grandparent, teacher, priest, children's ministry leader, or friend.
- (*Pause for 20-30 seconds while they think of someone*)
- Leader: “Thank You, Jesus, for the people who teach us, encourage us, and help us make wise choices. Help us listen carefully and learn from them. Amen.”
