Year C - Feast of the Baptism of the Lord
Luke 3:15-16, 21-22
Promises and Professions

Instructions

Like the promises and professions, our parents and godparents make for us at our baptism we can make those promises and professions for ourselves.

This prayer can be done individually by using the handouts on the following page or as a group by putting them up on a board. If you do them as individuals, gather the children in a circle and ask them to share one or two different things they wrote down.
Then finish with a prayer and lift up all their promises and professions.
